

König RepairLux® Polishing Paste 403 039

Uses

- To adjust the gloss sheen of natural stone repairs.

Characteristics

- A viscous paste with special polishing crystals.
- Residue-free.
- Water-soluble.
- Low on solvents.
- Can also be applied mechanically (e.g polishing wheel).
- Important: Not frost-resistant!

Application

Shake container well before use.

Ensure surrounding area is clean. Use Micro Sanding Paper grain 2400/3200/4000 to sand out deep surface damage first.

Apply Polishing Paste generously onto the Felt Pad and polish surface with a circular motion using pressure (do not wipe dry!). Take off excess material with the Special Cloth. Repeat polishing process until desired sheen level is achieved.

When working mechanically, do not use pressure.

Specifications

Shape: paste.
Colour: white.
Shelf life: at least 2 years
(stored upright at room temperature, in original unopened container)

Safety Precautions

- For professional use only.

Extract of wordings of the law. For further information please see label and Material Safety Data Sheet.
