

Why repairs make so much sense...

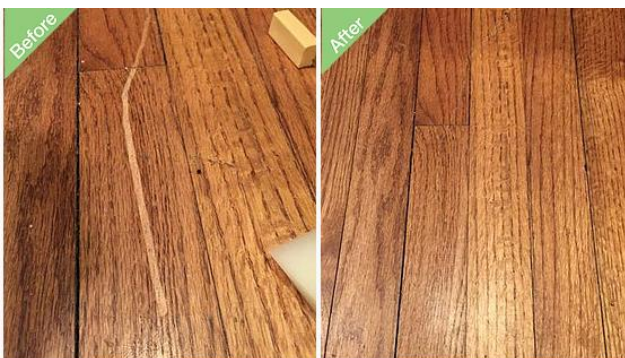

Repair & restore any hard surface i.e. Furniture, Flooring and Stairs, Windows, Doors, Tiles, Sanitary Ceramics, Engineered Stone, Marble, Caesarstone

For the repair and maintenance of surfaces made from wood, plastic, stone and metal we develop, manufacture and distribute high-quality products bearing the "Made in Germany" seal of quality. The product range comprises diverse fillers, touch-up materials like pens, pigments and dyes up to spray lacquers as well as maintenance and cleaning products.

Cracks, chips, dents, scuffs, scratches and worn out surfaces

- Don't replace it, Repair it!
- Cost and time saving surface repairs
- Saving you money, helping to meet job completion targets, and preventing unnecessary land fill waste
